- (5) A site must not be an attribute for subsection (4)(e) if the school is to provide education other than special assistance at the site.
- (6) In addition, the approved form must require the inclusion of an indication about whether or not the applicant seeks to be eligible for government funding for the school.

 - (a) the attributes of accreditation stated in the application;
 - (b) any other attribute agreed to by the applicant and board.

- (3) If, in relation to a type of education, the board is not satisfied about a matter mentioned in subsection (1), the board must decide to refuse to accredit the school for the type of education.

22 Further information or documents

- (1) The board may, by notice given to the applicant, require the applicant to give the board, within a stated period of at least 30 days, further information or a document the board reasonably requires to decide the application.
- (2) The notice may require the information or document to be verified by a statutory declaration.
- (3) The applicant is taken to have withdrawn the application if, within the stated period, the applicant does not comply with the requirement.

23 Failure to decide application

- (1) If the board fails to decide an application within 6 months after receiving the application—
 - (a) the failure is taken to be a decision of the board to refuse to accredit the school; and
 - (b) the board must, as soon as practicable, give the applicant an information notice about the decision.
- (2) This section is subject to section 24.

24 Extension of time to decide application

- (1) This section applies if the board considers it needs more time to decide an application.
- (2) The applicant and board may, at any time before the day that is 6 months after the day on which the board received the application, agree in writing on a day (the *agreed day*) by which the decision is to be made.

- (3) If the board fails to make the decision by the agreed day—

 - (a) whether the proposed governing body of a school is suitable to be the school’s governing body; or
 - (b) whether the governing body of an accredited school is suitable to continue to be the school’s governing body.
- (2) In making its decision, the board may have regard to the following matters—

 - (f) a criminal history report about the governing body or a director of the governing body obtained under section 28;
 - (g) a report of an authorised person obtained under section 29(1);

36 Deciding application

- (1) The board must consider the application and decide—
 - (a) to change the relevant student-intake day to the day sought in the application; or
 - (b) not to change the relevant student-intake day.
- (2) The board may only decide to change the relevant student-intake day if the board is satisfied that, because of

- (c) if the school's governing body is eligible for government funding for the school and the proposed new governing body intends to be eligible for government funding for the school—the proposed new governing body will meet the government funding eligibility criteria when the change has effect.
- (3) For deciding whether the proposed new governing body is suitable to be the governing body of the school, part 2, division 2, subdivision 3 applies as if the application were an application for accreditation.
- (4) If the application is about a change in an attribute of accreditation other than a change in the school's governing body, the board may decide to grant the application only if the board is satisfied the school will comply with the accreditation criteria when the change has effect.

50 Notification of intention to use, or stop using, temporary site

- (1) Before the governing body of a special assistance school starts providing special assistance at a temporary site for the first time, the governing body must give the board—
