Trauma acknowledgement

We acknowledge the trauma that continues to affect people with lived experience of child abuse. We are committed to being sensitive to this trauma as we use the learnings from past wrongs to protect the rights of current and future generations of children and young people and keep them safe from harm.

Acknowledgement of country

We acknowledge the Tasmanian Aboriginal Community as the traditional and continuing custodians of Lutruwita, where Palawa have cared for their children and prepared them for life since the beginning of time.

Together we live, work, play and learn on what always was, and always will be, Aboriginal land.

We honour Elders, past and present, and pay our respects to all Aboriginal and Torres Strait Islander colleagues, families and friends.

We commit to ensuring every Aboriginal and Torres Strait Islander child and young person is known, safe, well and learning.
